SUMMARY

Experienced and versatile Lighting Technician and Video Jockey with a strong background in live events, musical productions, and festivals. Skilled in audio-visual lighting, stage management, and production management, with a proven track record of delivering high-quality technical support and overseeing the seamless execution of diverse performances. Adept at programming and operating lighting systems, managing stage logistics, coordinating production schedules, and leading teams to ensure events run smoothly and efficiently. Demonstrated expertise in roles such as Assistant Production Manager for Top Me Up (Musical) and Production Assistant for various projects, showcasing strong organizational, problem-solving, and leadership abilities. Passionate about creating immersive visual experiences and contributing to the success of dynamic productions. With experience at renowned venues such as Zouk Singapore, Ce La Vi, HighHouse & Nova, and Lasalle College of the Arts. Collaborative team player with a creative mindset, technical proficiency, and a commitment to excellence in the entertainment industry.
