ABOUT ME

Committed and driven Audio Production student at LASALLE College of the Arts, with hands-on experience in the audio-visual industry since 2021. Skilled in studio engineering, mixing, and post-production, with a passion for helping artists bring their creative visions to life. Known for a studious, collaborative, and affable work ethic in both solo and team environments.

AV EVENTS/ PROJECTS

Indie Ska Fuego, Lasalle
College of the Arts
Aug - Sept 2024

Events Head Management

- Led a self-organized project, handling artist selection, stage design, promotion, setup, and teardown.
- Managed a team of 17, ensuring all paperwork and organization were in place.
- Coordinated scheduling for the week-long production to ensure smooth operations.
- Assisted with setup, troubleshooting, and teardown.
- Ensure clear communication between the camera crew, front-of-house, and monitor teams.
- Managed crew and equipment during event days to ensure smooth event flow.
