

# JOSIAH P KUNARAZ

[josiahpkunaraz@gmail.com](mailto:josiahpkunaraz@gmail.com) [86187456]

Highly motivated and detail-oriented Audio Production student from Lasalle College of the Arts, specializing in live sound mixing and studio production. Proficient in operating industry-standard mixing consoles such as the Yamaha CL5, DiGiCo SD9, and Avid S6L 24V, with advanced skills in Pro Tools and working knowledge of Logic Pro and Reaper. Seeking opportunities to contribute my technical expertise and creative passion to professional audio projects.

---

## Education

Diploma in Audio Production

Lasalle College of the Arts – 2023 to 2026

- Specialized in live sound engineering, studio recording, and post-production.
  - Developed a strong foundation in audio theory, signal flow, and acoustics.
  - Hands-on experience with industry-standard equipment and software.
- 

## Technical Skills
