MUSICAL SKILLS

Guitar Performance (Lead & Rhythm)

Songwriting & Harmony
(Advanced chord concepts, modal interchange)

Music Production
(Arrangement, composition, demos)

Multi-instrument Musicianship
(guitar, drums, keyboard)

PROFILE

Dedicated guitarist and multi-instrumentalist with experience teaching beginners through structured, practical methods. Skilled in breaking down complex musical concepts into simple, engaging lessons tailored to individual learning styles.

Experienced in guiding students through foundational techniques, rhythm development, and musical understanding while maintaining an encouraging and motivating learning environment. Passionate about helping students build confidence, consistency, and long-term musical growth.

TEACHING EXPERIENCE

Independent Guitar Instructor

Freelance

- Taught beginner guitar students with a structured weekly curriculum
- Designed lessons covering rhythm, technique, single note playing, and basic music theory
- Adapted teaching approach based on each student's learning pace and goals
- Focused on building strong fundamentals and practical playing ability
- Created a supportive and engaging learning environment to improve student consistency
- Helped students play their first full songs within 2 weeks
- Improved student rhythm timing and coordination through structured exercises

PROFESSIONAL EXPERIENCE

Music Coordinator and Producer (Intern)

Mexi Music

- Music Production and arrangement for various projects
- Coordinated recording sessions and supported studio workflow
- Worked with different artists and creatives
- Managed project organisation of music related tasks
- Supported artists during recording by helping them understand and execute ideas clearly
