Haze - *Writer, Arranger, Composer, Vocalist*

- Haze is a reflection on living and navigating self-doubt that was written in early 2025 and later developed on with a friend. Drawing inspiration from Sade and Santana, my song uses a drifting, atmospheric haze as a metaphor for the uncertainty that lingers and the quiet effort it takes to move through it.

Dodgeball - *Writer, Arranger, Composer, Vocalist*

- Ever feel like no matter how hard you try, you'll never be enough for certain people? Dodgeball was born from those moments – trying so hard to be seen, only to realise that I didn't need to wait to be chosen.
