PROFILE

I am a positive and driven final-year Interior Design student at LASALLE, with prior experience in architecture and industry practice. I enjoy observing spatial flow, which has strengthened my attention to detail and situational awareness. Through my experiences, I have developed communication and leadership skills in managing projects. I aim to contribute meaningfully while continuing to learn and grow, and take initiative when needed.

ACHEIVEMENTS

SEPTEMBER 2021 – MAY 2022

GPMG Commander (3rd Guards)

Led a two-man team in missions involving a general-purpose machine gun, ensuring coordination, safety, and discipline while executing tasks effectively under pressure and maintaining clear communication within the team.

EXPERIENCE

JULY 2022 – MARCH 2026

Design Consultant

Led interior design projects from concept to completion, coordinating clients and contractors, managing schedules, resolving site issues, and ensuring quality while taking initiative and guiding teams to deliver successfully.

JUNE 2023 – JULY 2024

Watch Consultant

Provided personalised customer service in retail, advising on watch selections, handling sales transactions, maintaining product knowledge, and building client relationships while ensuring a positive and professional shopping experience.
