Haoyuan Wang

Student at LASALLE College of the Arts
Singapore, Singapore

Summary

Focused on spatial order, relationships, and overall clarity in design thinking. Approaches design with a sense of restraint, carefully considering form and detail through the use of light, material, and scale. Aims to achieve balanced and thoughtful spatial outcomes, while gradually developing a consistent and sustainable design approach through observation and practice.

Experience

Crimson Identity Limited

Interior Design Intern

July 2025 - October 2025 (4 months)

Singapore
