Interior Design student at LASALLE College of the Arts, Singapore  
Singapore, Singapore

## Summary

I am an interior designer with a strong interest in spatial design and user experience. I am capable of developing concepts into practical design solutions, with a focus on both functionality and aesthetics. I enjoy exploring creative ideas while ensuring they are clearly communicated through drawings and visual presentations.

Skills

1. Proficient in CAD drafting (layout plans & technical drawings)
2. Strong ability in space planning and circulation design
3. Experienced in 3D modeling and rendering (form, materials, lighting)
4. Skilled in Photoshop and graphic design for presentation boards
5. Able to translate concepts into clear visual and technical outputs
6. Good understanding of materials and spatial experience
7. Strong communication and teamwork skills
8. Able to refine designs through feedback and iteration.

Overall, I am committed to creating thoughtful and high-quality interior environments, while continuously developing my technical skills and design thinking.
