HELLO! I'M

JIAXIN

Intrigued by how a good design can connect and navigate users. I envision creating sustainable solutions through a user-centered approach. I truly believe that design can improve lives and impact our society positively. Hence I strive to be a versatile designer with a tenacious spirit!

WORKING EXPERIENCE

LITTLE SPLASHES

PART TIME SWIM TEACHER '23 - '26

Supported students (3 months to 13 years) in water safety and strokes, and managed admin tasks with Microsoft tools.

ELYSIUM ACCORD

GRAPHIC DESIGNER '24 - '25

Strategized and executed marketing events to drive sales growth, complemented by designing eye-catching graphics for promotions and events.

CONCRETE EVERYTHING

DESIGN INTERN '22 - '22

Led workshops, assisted with photography shoots, communicated project concepts, researched merchandise ideas, and prototyped using various methods.
