

# KWEK FUQI

14.02.03

SINGAPOREAN

Passionate product designer skilled in crafting innovative, user-focused solutions that balance functionality, aesthetics, and sustainability. Proficient in ergonomics, prototyping, and 3D modeling, I am eager to collaborate with dynamic teams to bring creative concepts to life. Constantly improving my craftsmanship, design skills, and knowledge of software, I strive to create designs that inspire and make a lasting impact.

## WORK EXPERIENCE

### PRODUCT DESIGNER INTERN

CONCRETE EVERYTHING | 02.2023 - 07.2023

- + Developed 3D models, and contributed to product launches through iteration, testing, and collaboration.
- + Specialized in prototyping, material experimentation, and precision crafting techniques.

### PRODUCT DESIGNER INTERN

COMMUNE SINGAPORE | 05.2025 - 11.2025

- + Produced 3D models, 2D CAD drawings, and KeyShot renders for furniture product development.
- + Refined design concepts through ergonomics, materiality, detailing, and manufacturing feasibility.
