about me

Hello! I'm Sravya and I design stuff :) I am a passionate product design student with a keen interest in photography and art. I've developed expertise in design thinking, 3D rendering, and model making, all while honing my ability to bring ideas to life. With a strong foundation in design and excellent communication skills, I'm a collaborative team member who excels in turning concepts into reality while delivering high-quality results.

experience and volunteering

- Industrial Design Intern - SYSTMZ** May 2025 - Aug 2025
Assisted the design team and the CEO, Mr. Joo Kok, on numerous projects the company had undertaken. Conducted Research, ideations and renders for company clients from various industries. Manned the company booth at Archifest 2025 as a sales representative.
- Innovation Healthcare Workshop - Changi General Hospital** Jan 2025
Worked in teams of 5 to create a design solution for the efficiency of traction device requests for the in-patient wards at CGH. Conducted research, got feedback from and presented to medical professionals from different hospital branches.
- Design Intern - Plantables** Dec 2024 - Jan 2025
Working with Plantables, I designed an eco friendly planner inspired by iconic artworks. This was a 2-month ui/ux project i undertook.
- Card Game Design - Mallya Aditi International School** Jul 2024 - Aug 2024
Designed graphics for the cards of a game created by educators at Mallya Aditi International School, with an objective of teaching students biological characteristics that makes one "human".
- Fundraiser and Labour- U&I foundation** Dec 2022
Worked with the U&I NGO to fundraise for the Sonnappanahalli Public School. We bought supplies and built a playground over 3 days. The aim was to help reduce the high number of student dropouts by making them look forward to attending school. We made sure to interact with students everyday, making this a memorable experience.
- Translator - Samiksha foundation** Sep 2021- Dec 2021
Translated grade 4 notes from English to Hindi for wider access to education for the underprivileged children.
- Mission Possible Volunteer- World Federation of United Nations Association** Mar 2018 - Mar 2019
My group, Team Parinama, chose SDGs 4 (quality education) and 10 (reduced inequalities) for our project. we worked with the Samarthanam Trust for the Disabled. We raised 1.2 lacs (~1750 sgd) for wheelchairs and braille printers as requested by the head of the organisation.

awards

- Innovation in Design (Bronze) Award** Nov 2024
- CREATIVE Technologies
- Visionary Design Achievement (top 9) Award** Sep 2024
- CREATIVE Technologies
