

KOH HUI CHIN

Industrial Designer

huichin.id20@gmail.com

+65 9636 9530

Industrial designer interested in human-centred product design, hands-on making and material exploration. Experienced in observation, user research, physical prototyping and form development, with a focus on translating everyday habits into considered and intuitive objects. Attentive to form, material and interaction, with interests in photography, woodworking and material craft that further inform a sensitivity to detail and making.

WORK EXPERIENCE
