SUMMARY

I am an undergraduate (BA) honors Fashion Design student at LASALLE College of the Arts Singapore, currently in semester 6, and focus on textiles.

I am able to work under pressure, have good time management skills, and am able to collaborate in a team to achieve optimal results.

EDUCATIONS

LaSalle College of the Arts Singapore – (BA) honors Fashion Design & Textile (2023 - Now)

SMA Karangturi Semarang (2020 - 2023)

SKILLS

Technical Skills

- Fashion Illustration
- Pattern Making
- Draping
- Tailoring
- Textile Design
- Embroidery
- Hand & Machine sewing

Software Skills

- Adobe Illustrator, Photoshop, InDesign
- CLO3D
- Technical Pack Creation

EXPERIENCE

Intern (Junior Assistant fashion designer) – Votum Heritage by Sebastian Gunawan And Cristina Panarese, Jakarta (May – August 2025)

- Supported production and design processes across multiple departments, including updating production data, preparing garment instruction sheets, and creating Technical Drawings.
- Assisted in accessory development for photoshoots, beading/embroidery work, and fitting sessions across different brands (Votum, Sposa, RED).
- Collaborated with pattern, social media, and other departments to ensure smooth workflow and maintain quality standards.
- Acted as a fitter during fashion shows and assisted with post-show organization, demonstrating flexibility and cross-functional teamwork.
- Contributed to research and creative concept development for photoshoots and brand campaigns, supporting both operational and creative output.
- Digitally adapted textiles for garment patterns, ensuring design alignment and construction accuracy.

ACHIEVEMENT

Event Organizer - Junior & Senior high school (2022 - 2023)

- Organize and manage the event team to ensure the smooth running of the performance.
- Manage communication between divisions, including creative, technical and production teams.

2nd Place Winner – Coldwear Upcycling Project (September - 2024)

- Participated in the LASALLE x Coldwear collaboration (a clothing brand from Singapore that focuses on winter clothing), creating a jacket design with an architectural and sustainable fashion concept from factory rejected materials.
- Selected as 2nd place winner from all participants for innovation in product design and functionality.

Exhibited Designer – LASALLE (Singapore) x Fashion Institute of Technology (New York) Collaboration, Singapore Exhibition (January - 2025)

- Creating shirts and trousers as part of a collaborative project with the theme of cross pollination, with the theme "Mother & Motherland" and exploring napeni culture in Java.
- The work selected to be displayed in an exclusive exhibition in Singapore and New York , displays creativity and a deep understanding of local culture in fashion design.
