WORK EXPERIENCE

LOUIS VUITTON <i>Junior Craftsman Intern May 2025 – Jul 2025.</i> <ul style="list-style-type: none">Restored over 10 leather items daily to luxury quality standards using precision hand-stitching, edge-painting, and cutting techniquesUtilised specialised manual tools (e.g., edge dye roller, stitching awls, pilers) to repair and rejuvenate products while maintaining Louis Vuitton's exacting quality benchmarks	
--	--

- Assisted in designing and assembling an in-store repair kit, helping to reduce service lead times and supporting retail staff training on repair procedures
- Ensured flawless finishing and alignment to maintain visual excellence, contributing to positive feedback from clients and internal quality teams

ESHBYESTHER

Design and Development Intern | May 2024 – Sep 2024.

- Drafted and constructed 3–4 key garments during internship, ensuring precision in tailoring, fabric selection, and silhouette execution based on creative briefs
- Coordinated and prepped garments for fitting sessions, ensuring all samples met timeline and measurement requirements
- Updated costing sheets and technical packs using Illustrator and Google Sheets, supporting accurate material forecasting and margin tracking
- Filmed and edited behind-the-scenes content for Instagram and TikTok, contributing to increased audience engagement on brand social platforms

LOVEBONITO

Design and Development Assistant | Jun 2022 – Jul 2023.

- Supported monthly buying sessions by preparing sample sets, styling pieces, coordinating line sheets and fabric swatch documentation
- Created and maintained accurate line sheets and digital records using Excel and Airtable for costing, size specs, and production planning
- Coordinated post-buying follow-ups with cross-functional teams to align on design decisions and order placements
- Managed a fabric and trim library of 100+ materials, ensuring organisation, tagging, and accessibility for design reference
- Led garment preparation for fittings and implemented feedback to support production-ready samples
- Oversaw shipping logistics and maintained the archive room to support design, vendor, and manufacturing coordination
- Prepared selected garments for seasonal campaign, editorial, and catalogue photoshoots in collaboration with stylists and production teams

MINDEF

Infantry Leader | May 2020 – May 2022.

- Trained and nurtured soldiers.
- Supervised and mentored 14 operators on vehicle operation and maintenance.
- Developed and maintained organisational systems to optimise workflow
