

Hello! I'm Nazreen.

Multidisciplinary Graphic Designer & Visual Thinker

More about *myself*

My name is Nazreen! I am 21 years old and am currently a second year Design Communication student in LASALLE College of The Arts! I chose to pursue art/design as I wanted to continue doing what I am most passionate about which is the arts! I have been doing art ever since I was 7 years old! I like challenging myself and experimenting with different design elements and art mediums. I'm also **proficient in Adobe Illustrator, Photoshop, InDesign, Premiere Pro, and After Effects**, which helps me bring my ideas to life in different ways.
