Phoebe Natalie is a Singapore-based graphic designer working at the intersection of research, behaviour, and visual form.

Concept-led and **cross-disciplinary** by nature, she uses design as a bridge between ideas and the visual systems that make them legible. She is drawn to projects where **ideas carry weight and form follows thinking.**

EDUCATION

LASALLE College of The Arts

2023 – Present

Diploma in Design for Communication and Experiences

Bukit Batok Secondary School

2018 – 2021

GCSE O' Levels
