SUMMARY

I'm a dynamic and creative graphic designer. Enthusiast with experience in branding, digital design and motion graphics. And Interested in Japanese design. Currently pursuing Communication Design at LASALLE College of the Arts, I am good at making marketing more interesting and rich through design.

With a strong foundation in Adobe Creative Suite (Photoshop, illustrator, After Effect, Premiere Pro) and Figma, I specialize in: Branding & Identify- Creating visually cohesive brand experiences, UI /UX Design- Designing intuitive digital interfaces & web layouts.

I actively participate in creative projects, accept guidance from others and am willing to try different approaches. Open to internship and freelance opportunities in branding, UI/UX, and digital design.
