CRANE LIVING

Part-Time Retail Staff

During my part-time job, I successfully helped the business achieve its profit goals while providing excellent customer service to ensure a positive shopping experience for customers. By actively interacting with customers, I was able to understand their needs and attend to them effectively.

- Perform Cashiering Duties
- Replenish and Restock items
- Engaging with vendors and interacting with customers about any promotions
- Stock counting, ensuring that stocks tally with the app

OCHRE PICTURES PRIVATE LIMITED

Production/Art Intern

I interned at this company for three months, assisting with the project shoots for “Diary of Amos Lee” and “Silent Walls” as a production intern.

- Assisted with post-production tasks and provided support for administrative matters.
- Assisted the Art Director with preparing and creating props needed on set.
- Perform a Production Assistant's duties on set, ensuring that everything is organized and accounted for.
