SOCIAL DESIGNER

I am a designer interested in creating meaningful and engaging experiences in everyday spaces. My work is driven by curiosity about how people interact with their environments, focusing on participation, play, and community. I am particularly interested in how design and research can integrate across different sectors, especially to generate thoughtful, user-centred outcomes.

KEY COMPETENCIES

Research synthesis
Critical thinking skills
Creativity

Adaptable to different projects
Participatory Research
Teamwork

Digital Design
Graphic Design
Photography

PROJECTS

Spaces We Play: Community Project on Children's Play and Placemaking in Hougang
(part of Makan Bersama thesis track)

Hack Kopitiam x NLB: Library Program for Seniors on Heat Resilience

Sleep:Less: VR Experience on Sleep for Singapore Design Week

PROFESSIONAL EXPERIENCE

OCBC Bank

May 2025 - Aug 2025

Global Commercial Banking, Business Compliance Intern

Enhanced my research skills by being part of the Periodic Review team. Conducted research using bank systems, commercial databases, and the internet for information gathering. Ensured that the information is in compliance with policies and helped with analysing and preparing review findings with Microsoft Office tools.

Blak Labs

Jun 2023 - Oct 2023

Graphic Design Intern

Involved in assisting with photoshoots, logo, UI/UX design, motion graphics and advertising, helped out in product photoshoots (set-up, arranging products, assisting photographer), ideation for advertising projects Supporting projects including Pizza Hut, Red Bull, Tuas Power, Maybank, SMU, CDL, National Museum

Saint Max

Nov 2019 - Nov 2019

Trainee Media Producer/Photographer

Learnt how to operate a DSLR camera and take pictures of the daily work with permission, wrote subtitles for a video produced for a client, and operated a camera at a designated venue for a client on the day of the video screening
